This new day is given to us,  
Uncluttered, fresh and clean,  
Yesterday's troubles are in the past  
Tomorrow's may never be seen:  
God has granted us this new day  
To do with as we will . . . .  
Let's fill it with kindness and  
Happiness, love, joy, and good will.

The image features a black and white graphic design. A thick, diagonal grey band runs from the top-left corner towards the bottom-right. To the right of this band is a grid of letters, primarily in a serif font, arranged in rows. The letters are mostly light gray, but certain words are highlighted in black: 'ORGANIC', 'VITAMINS', 'SUPPLEMENTS', and 'NATURAL'. The background is white, and the overall composition is clean and modern.

# CARDINAL POINTS

The members of the 1982 Cardinal Points staff seek to provide a newspaper service to further all students' academic, cultural, social and recreational pursuits, and to act as an independent forum for the expression of all responsible student, faculty and citizen opinions and queries.

This newspaper shall be known as Cardinal Points, the students' newspaper. We feel that is exactly who it belongs to, the students of Plattsburgh State University College.

Our goal is to inform students on all aspects of student-related activities deemed important by the members of the Cardinal Points staff. And we work our hardest to put out a paper we feel is to the best of our ability. We think the following sums it all up.

"If I were to try to read, much less answer, all the attacks made on me, this shop might as well be closed for any other business. I do the very best I know how — the very best I can; and I mean to keep doing so until the end. If the end brings me out all right, what is said against me won't amount to anything. If the end brings me out wrong, legions of angels swearing I was right would make no difference."

Abe Lincoln

The image consists of a dark grey rectangular area on the left side, which tapers towards the bottom right. To its right is a white background filled with a dense, abstract arrangement of letters. These letters are primarily in a bold, serif font and are repeated in various sizes and orientations. The letters include 'D', 'O', 'M', 'S', 'R', 'A', 'N', 'T', 'I', 'P', 'E', 'C', 'H', 'U', 'L', and 'K'. Some letters are oriented vertically or at an angle, creating a sense of depth and movement. The overall effect is a modern, graphic, and somewhat abstract representation of text.

# INTERFRAT

The purpose of the Interfraternal Association is to provide the Social Greek Organizations at Plattsburgh with a unified base in order to enable them to work together for the benefit of their own organizations and the campus as a whole.

FRONT ROW: Thomas Roberts, BACK ROW: Paul Philbin, Roberta Byron, Charles Martell

All of Plattsburgh State's Greek Organizations have become well-known for carrying their prestigious names throughout the campus and community. There are presently ten Greek organizations that individually sponsor fund-raising drives for various charities around the community.

Pledging season enables interested men and women to become members of one of the Greek organizations and includes exciting "weekend" parties at various houses off campus. Finalizing their membership on "Hell Night" at the Royal gives one a feeling of accomplishment and relief to be a Greek.

The participation in the Greeks has increasingly risen in the past year, establishing sisterhood and brotherhood within each organization, leading to unforgettable friendships.

# ALPHA DELTA THETA AΔΘ

Alpha Delta Theta has been a vital organization at Plattsburgh State for 57 years. During this time we have been actively involved in community projects as well as those here on campus. Among these are an annual fund drive for the Heart Fund and visiting various homes and hospitals during the holiday season. We are also directly responsible for reviving the Interfraternal Council.

Being an Alpha Delt means expanding horizons. It begins with pledging, a time of self discovery and continues through the years with increased social and civic awareness. Our ideals of sisterhood bond us to each other through good times and bad. Individuality, Unity, Respect.

Alpha Delta Theta.

FRONT ROW: Pam Manning, Pat Tuftegaard, Sally Mlecz, Beth Blattberg, Jean Medero, Sherree Blum, Leslie Ross, Patti Pankow; 2nd ROW: Karen Schwartz, Laurie Burmaster, Nancy Esposito, Alison Shack, Michele Perry, Nancy Gawkowski, Christine Couball, Sue Gorling; BACK ROW: Karen Collins, Karen Upson, Debbie Murphy, Kathy Gray, Kim Holroyd, Lenore Snyder, Sue Hudson, Michele Grinder

# AXP ALPHA CHI RHO

FRONT ROW: Willie Johnson, Byron Pritchett, Frank Mistretta, Steven J. Mackesy, Leslie Brenner, Brian T. Sullivan, 2nd ROW: John Arnao, Patrick Cuzzola, Joseph Piuella, Larry Feurman, 3rd ROW: Donald Trutino, Thomas Paolucci, Andrew Sherman, Joseph Heckley, Mike Gehring, 4th ROW: Dick Kindl, Thomas Leonardi, Mike Pugh, Chuck Metras, Mark Terrance, Charles Martel, 5th ROW: John Warkala, Dean Miller, John Ryan, Raonell Starf, Brian Burns, 6th ROW: David Leonard, Christopher Pennock, Raymond Chang, Timothy Flanigan, Scott Larsen, 7th ROW: Thomas Roberts, Vernon Sykes, Michael Schaffer

The Sigma Tau Phi chapter of the National Fraternity of Alpha Chi Rho has just received its national charter making us the only national fraternity on the Plattsburgh campus. However, we are by no means newcomers to Plattsburgh State. Since 1966 we have been known as Sigma Tau Sigma. Our name has traditionally been associated with campus and community involvement, outstanding parties at our house, which is located at 147 Brinkerhoff Street, and intramural athlete excellence.

During the past year, the Crows have organized and participated in campus and charity fund raisers which netted over \$15,500. This unmatched record of community service led to our being awarded the Presidents Cup for the second consecutive year. We also were presented the Scholastic Cup for having the highest cumulative average among Greek organizations and were awarded 1st place for having the best float among Greek organizations during this years Homecoming Weekend. Our membership is open to any male student attending SUNY at Plattsburgh. Once inside the doors of our house, you'll feel the enthusiasm that all the brothers of Alpha Chi Rho possess!!

# ALPHA KAPPA PHI ΑΚΦ

Alpha Kappa Phi holds individualism and personal achievements as most important aspects of sorority life. As distinct personalities combining the various talents and interests of many we can emerge as an effective force on campus.

We're a group of girls joining together by bands of friendship, loyalty and pride. We are united by a deep respect for each other as individuals and sorority as a whole.

To be an "AGO" is a lot of hard work. We have been involved in many community services such as the Heart Fund Drive and Red Cross Street Drives.

Pi Alpha Nu is the oldest fraternity on the Plattsburgh State campus, and maintains a proud tradition today. The fraternity was founded in 1957 based on the same ideals it currently holds. Pi Alpha Nu believes in a good college-community rapport, and older brothers team with the present active members to help meet that goal. After reaching a peak in the number of active members during the late 1970's, the fraternity has set itself to the task of rebuilding the active membership. Pi Alpha Nu has a history of bringing together young men and making them into a whole, while at the same time retaining their individuality. The fraternity has traditionally carried the highest grade point average on campus and has been active in sports and campus politics. If you are of high character and want to make the best of your college years, "Pi Alpha Nu Wants You."

# ALPHA PHI GAMMA ΑΦΓ

Alpha Phi Gamma Sorority is new here at Plattsburgh State this fall '81. All of the sisters are proud to share in the meaning of our sorority the Beginning of Friendship.

Within the next year, we will belong to the International Sorority Alpha Phi which is one of the oldest and largest sororities. This will be an honor for Plattsburgh State in that it will be the 109th Chapter. The only other chapters of Alpha Phi in New York State are at Syracuse and Cornell Universities.

We the sisters of Alpha Phi Gamma are very much looking forward to being very active in both college and community activities. Keep a look out for the Garnet and Grey!

Psi Epsilon Chi, founded in 1968, is the only Greek Organization at Plattsburgh State to own its own house. Our house, located across from MacDonough Hall, is well known for its basement and warm weather porch parties. We are a community action organization, always looking to help out the Cancer Society or other such groups.

We encourage any men interested in Psi Ep to come find out what we're all about.

To PSUC,

"We've come a long way baby!!"

Today and everyday for the past 80 years, CLIO has flourished and offered PSUC a sorority that has continuously changed to fit the times. Each Clonian Pledge Class has brought with it uniqueness and freshness to add to our established traditions.

Today women have to be sharp and aware if they're going to "make it" in the 80's. CLIO provides us with the means of achievements towards this goal. Together we grow while enhancing our leadership and learning skills, as a group while maintaining our strong individuality.

CLIO has past the test for 80 years, and has many more strong years ahead. May the warmth and glow of CLIO be with you always.

THETA KAPPA BETA FRATERNITY, founded in 1959, has successfully strived to maintain their status as the number one fraternity on the Plattsburgh campus; all through "LOVE, HONOR, and FAITH in GOD".

This year BETA became the 1981 intramural football champions, and we are competing to maintain that position in other intramural sport activities.

The BETAS have been actively involved in college — community services, including a Bi-Annual Blood Drive, Plattsburgh Earth Day (P.R.I.D.E.), the United Way, The Heart Fund, The Cancer Society, and the Community Hospital, and County Nursing Home Services. Also, at the Student Life Spring Carnival, BETA was the number one fund raiser of all the SA Organizations.

With our ever growing Brotherhood, the BETAS have been able to establish a scholarship fund for its brothers, as well as contributing to the college foundation in an effort to help those students who are in need.

But most importantly, the BETAS are BROTHERS. And with our strength in our brotherhood, we will continue to grow in the future and to help our college community neighbors, and most importantly to help each other.

# THETA ALPHA LAMBDA ΘΑΛ

Theta Alpha Lambda is a sorority comprised of women all sharing the common bond of sisterhood, yet who are each uniquely individuals. Being a Thalian, to those outside the sorority, may seem to involve wearing a navy blue and gold sweatshirt, working at Beer Blasts every Thursday night, building a float for Homecoming weekend, having parties and banquets now and then, attending meetings, or doing a fund raiser for a local charity. Although these are some of the activities which the sisters participate in, there are many other facets which only a Thalian could attempt to convey. Theta Alpha Lambda strives to maintain its ideas of unity, friendship, loyalty, and cooperation to achieve success here at Plattsburgh State. We as Thaliens, have strength through our sisterhood, and will continue to work together in harmony for success in the years to come.

## 1981: Best Season Ever!

The 1981 Cardinal Soccer Team established itself as one of the best in the country in NCAA Division III, finishing the regular season ranked 14th in the Nation and 3rd in New York State. This accomplishment was recognized with an invitation to the NCAA Division III National Championships. In an exciting game, the Cards were ousted in sudden death overtime by St. Lawrence. Each of the team's losses was against teams that were invited to participate in the NCAA Championship Tournament.

The season had many highlights: A hard fought win over Albany in a steady downpour, the emotional win over Oneonta, the exciting wins over Union and Binghampton. The biggest victory, no doubt was over unbeaten Keene State in front of a large and hostile Parent's week-end crowd in Keene, NH.

This success story really was more than anyone could have anticipated at the start of the season. A starting line-up of predominantly sophomores and freshmen, suggested many questions. The schedule had been altered to include perennial powerhouses U.V.M., Union and Keene St.; The SUNYAC Conference is one of the most competitive in the Nation in Division III soccer. The team matured rapidly, exhibiting team unity that is rare, yet so essential to a top flight team.

Prospects for 1982 are excellent, with 16 of the 17 players returning.

### COACH'S COMMENTS

"This season was particularly gratifying, not only because of its success on the field, but even more so in the dedication and exceptional team spirit displayed by everyone! We established ourselves as a quality team, and earned a high reputation for fairness and sportsmanship. Co-captains, Szambowski and McDonagh as well as assistant coaches, Myler and Andrews have to be credited with providing that sort of leadership. I certainly am proud to be part of this team!"

# MENS Cross Country

A season-long goal became reality for the mens and womens cross-country teams, as both teams qualified for the NCAA Division III championships. A third place for the men and 2nd place for the women in the New York State Regionals was just enough to enable the teams to make the trip to Kenosha, Wisconsin. In addition, the Cardinals became only one of three schools in the nation that have both their men's and women's teams vying for the national title. The others are Pomona-Pitzer (California) and Southeastern Massachusetts.

For the men, their 3rd place finish against the top 22 Division III schools in New York took most by surprise. Competing against the same schools and the same Albany State Course (at the Albany Invitational and the NYSCTFA championships), the Card's finished 7th and 9th on both occasions, leaving much doubt on the part of many that a bid to the Nationals was possible. But the PSUC runners were a stubborn bunch, as they displayed the best example of pack running than any other team in the race. Bob Brenner stormed out with the leaders and raced home in 13th place, clocking 26:07 over the 5.05 mile course. Following closely was John Melnick, the team's only senior, in 26:24, good for 21st place. Dave Champagne ran his best race of the season to grab 24th in 26:33, while Bill Jones crossed the line in 26:50 good for 35th. Mike Hellajas finished 37th in 26:53, while John Marks ran 66th in 27:42 and Eric Day was 70th in 27:47.

Head coach Dick Fischer, in only his second year at Plattsburgh State, noted that "seven schools had their first runner in before we did, yet the tightness of our group got us to nationals." Many coaches were quick to praise Fischer, a Minnesota native, for the

turnaround of the Cardinals in just two short seasons. It looks as though Plattsburgh could once again become the National Powerhouses that they were in the mid-70's. The team is young. Losing only Melnick to graduation this year, plus the addition of a few stragglers that were unable to compete this season because of injuries and ineligibility, next year's team could be untouchable. This doesn't even include any incoming freshman that could surprise.

University of Rochester accumulated 46 points to upset Fredonia, who scored 54 points. Plattsburgh was a distant 3rd with 128 points, to out-distance such rivals as Albany, who were 4th with 138 points, Binghamton, Cortland, St. Lawrence and RIT. The top 3 teams in the New York Regional qualify for the Nationals. Bernie Prabucki of Fredonia was the race winner in 25:11.

# WOMEN'S CROSS-COUNTRY

A 2nd place finish in the NEW YORK STATE Regionals topped off a long season for the women's Cross-Country Team as it qualified them for the NCAA Div. III championships, in Kenosha Wisconsin. The women traveled to Hamilton College for their National Qualifier. The lady Cards ran to second place finish. They were chosen for the sole at-large bid by the NCAA committee. According to coach Fischer, "The competitiveness impressed the selection committee which gave us the at-large bid. This selection speaks highly of our athletes." In gaining this bid, the PSUC Women were considered over 8 other second place teams from the New York State Region.

---

This year the Card net men finished a respectable 5th place in the SUNY Conference. Some of the high points of the season were dual match upsets of R.P.I., McGill, and St. Michael's. Two doubles teams made it to the semi-finals at an intra conference meet and Mike Noone won a 5th singles consolation bracket in conference play. Poor weather was a factor in several meets and an unfortunate injury to key player Jim Stevenes may have played a factor on the team's performance.

# Women's Tennis

It was a mixed season, and a losing one, for women's tennis. The Cards were often understrength compared to their rivals, which made a difference late in the matches. Although the Redbirds posted wins against Clarkson and Trinity and split two matches with St. Michael's, they were overwhelmed by Albany, McGill, St. Lawrence and Siena, and dropped closer decisions to Potsdam and RPI. The most Consistent Netter's for the Women this year were Karen Hillman and Bonnie Briggs.

## -SEASON FORECAST-

After coming off last year's remarkable season, the 81/82 Hockey Cardinals have some great expectations of them. According to Coach Hammond, "The National Championship, and nothing short of that." "But I have to cautiously optimistic about our season. With the loss of our goaltender and three regular defensemen, we'll be young and inexperienced in these areas. We have a difficult schedule — we're away for 22 games. That puts a lot of pressure on our players, but I have confidence they will work hard and have a good

year. I think we've had a successful year in terms of recruiting. We have some large skates to fill, but I feel we have the nucleus of a fine team.

Captain Rick Young and alternate captains Lou Martin and Francois Bellefeuille lead the Cardinals into the 33-game campaign. Also returning are sharp-shooting forwards Gaetan D'Anjou and Pierre Brunet, each with a good chance to take over the top spots in Cardinal scoring history. The blend of veterans and prospects will determine the success of the Cardinals in 1981-82.

# MEN'S Basketball

It has been a frustrating season for the Cardinal Basketball team and its fans. The year opened with the promise of better things due to the presence of capable team veterans, Paul Glodis, Mark Sausville and Rod McCorvey and the addition of talented players Bill Stevens, Steve Holmes and Brian Gonyeau.

But the year has not been an auspicious one, with the current hoop squad in danger of setting a record for most defeats in a season. Paul "Goose" Glodis has been the team's leader in victory and defeat. He has averaged about 15 points and seven rebounds per game. Stevens also has contributed, with an average of 13 points and six rebounds a game.

The Red Birds have shown good spirit and aggressiveness, but key injuries and inexperience have kept them from a victory on more than one occasion.

# MEN'S Swimming

In Men's swimming, the Cardinal athletes have only a couple of meets remaining in which to qualify for the SUNYAC championships March 4-6 at Genesco. The season record to date is 2-5, which means the team is headed for a losing year. Plattsburgh State romped over Middlebury and split with St. Michael's but lost to swimming powers Albany State, RPI, Queen's and Potsdam State. Performers of note for PSUC include freestyler Ian Cherry, breaststroker Peter McCormack and diver Mike Ewald. Andy Krochmal and Bob Peterson also have raced well in the freestyle events.

# Women's Swimming

In women's swimming, events have been disappointing but not bleak. With a 1-9 record, the team is now trying to qualify as many individuals as possible for the New York State AIAW championships in Binghamton Feb. 25-27. The Cardinal swimmers defeated Skidmore in their second meet but lost to Russell Sage, lost twice to St. Michael's, and were bowled over by a wave of outstanding teams from Albany State, St. Lawrence, Middlebury, Queen's, UVM, and Potsdam State. Since losing its best swimmer, Amanda Day, who returned home to Wales after the fall semester, the team has had several swimmers come on to pick up the scoring slack. The most consistent performers have been Ellen Hoch in the butterfly and freestyle events, diver Sue Wells, breaststrokers Linda Miner and Ellen McCarty, and backstroker Patti McAllister.

FRONT ROW: Kathy Boes, Ellen McCarty, Sheryl Bartholomew, Lori Schwork, Ellen Hoch, Pratt McAllister, Sue Wells, Linda Miner, Dr. Dave Robertson. BACK ROW: Vicki Hatch, Barbara Brown, Wendy Andrews, Marlaune Jeffreys, Karen Betzig, Verna Cooper, Laurie Sobocienski.

TIME:

Standing in solitude,  
Hypnotized  
By the glow  
Of light  
Upon a mountain side.  
Time flows by swiftly;  
Yet — we continue on.  
Our minds wander  
Thinking of the past,  
Dreaming of the future.  
Lost inside illusion,  
It's a dreamy place.  
If we conquer all  
That plagues us  
We'll possess tomorrow's time.

For each man it is different  
and comes to mean different things.  
Some people and ideas and pressures  
will pass into the forgotten  
dark places of his brain.  
But some will take on life  
and become a part of his mind,  
his flesh and his soul.

“None But A Fool Hopes For  
Great Results From  
Little Effort.”

In May 1981, I accepted the responsibility of Editor in Chief of The 1982 Cardinal Yearbook. My knowledge of Yearbook publications was limited, and I knew I would have to learn the ropes. The challenge was there, so I accepted it.

The Editors job is primarily managerial, a great deal of planning and forethought is required, as is input from the Yearbook staff and the student body... The 1982 Yearbook Staff has put together a publication that we feel is unique. I would like to thank all of them for their generous time devoted to the 1982 Cardinal. To Gary Gold our Publishing Representative, and Mrs. Papineau, the Student Association Secretary, thanks for all your time, assistance and patience, it has been invaluable.

A great deal of effort, hard work, long hours and memories are bound between the covers of this Yearbook. We hope you like it!

Respectfully,

Timothy F. Mante  
Editor in Chief

Add to the lamps of knowledge,  
the fuel of human understanding,  
Its light will serve you very well.

Beware of greed and false ambitions,  
they lead to the dark mother of ignorance;  
The mother of all evils.

Knowledge is the small key  
that builds or breaks the character  
And the unique values of life.

Seek first the light of grace.  
Find time in all endeavors to talk  
With God's angels.

If you ponder these cautions,  
and look well about you,  
you will need small guidance.  
By first seeking and doing well,  
first things first.
